### Vacation Time Plans on Fire

DAvenport 6-4678

Well, now that school is out, plans for vacations are shaping up rapidly and to those who are lucky enough to have them, time will go all too fast . . . while to us stay-at-homes, it will go much slower . . . but there is still lots to do . . . now is a good time to drop by the Recreation Department office next to the auditorium and see what they have to offer. With the varied program there is no reason for the summer months to lag for either young or old. So our wish for you is an active and happy summer.

We know it's a little late but that doesn't lessen our pride any . . . Eight-year-old Billy Schuchman, son of Dorothy and Bill Schuchman of 1953 Reynosa Dr. won the first prize in the Juvenile Art Section of the recent Hobby Show. He won the coveted award with two pen and ink cartoons. Billy shows real talent and we're mighty proud of him.

Tom and Lucille Triplett of Huber St. bid a fond farewell to Lucille's parents, Mr. and Mrs. Ernest Scofield, last week when the elderly couple headed their new auto east and towards their home in Kirksville, Mo. After spending a most enjoyable four days with Lucille and Tom, the Scofields planned to stop at Phoenix to visit their son, Gerald Scofield, and his wife, Mrs. Scofield.

A friendship that carries over into the second generation is indeed a rare treasure and as an expression of such a relationship, Mr. and Mrs. Earl Hassler Jr. and Mr. and Mrs. Gene Hassler along with daughters Carol and Cathy, motored down from Pasadena for an evening of visiting and reminiscing with Mrs. Margie Campbell and Ted Cunningham last Thursday. Mrs. Campbell and the Hassler boys' parents have been close friends for nearly 25 years, with the two families being raised practically together. Ted hasn't seen the boys for over ten years and had never met their wives. Highlight of the evening was when Mrs. Campbell brought out some photographs taken when the offspring of both families were still small and there were such expressions made as "oh no! that couldn't be Earl, or Gene or one of the others!" and "Pop hasn't changed much, has he?" etc.

Speaking of Ted's mother, Mrs. Campbell, she, Ted and Ken and grandchildren Dan and Jorie had dinner at Chinatown and made a tour of Olvera St. as a sort of farewell party for her the evening she left by train for her home in Washougal, Wash. She was accompanied on the trip by the young 'uns, Dan and Jorie, who will spend the summer on "Nana's farm." For the past two weeks she has been visiting Ken and Ted at 1523 Reynosa Dr.

We'd like to offer our congratulations to Tom Byrum of Palena St., for he recently took his seventh degree of Masonry which makes him a Royal Arch. He is a member of the San Pedro Chapter No. 80.

Heavenly Father, I haven't heard from you for such a long time . . . so how's about it, huh? And any of you other folks, remember, any news, no matter how small it may seem, is welcome. Come on now, don't be modest.
